

# Harwich Haven Authority

## NEW BOARD MEMBER

Rob Smith will be stepping down from the Board at the end of June following nine years' service.

A new Board member has been appointed with effect from 1 July 2010:

**PHIL ROLAND** (Appointing authority: HHA)

Phil has been involved with the maritime and ports sector for much of his working life. He has a very good knowledge of ports primarily gained from an extensive involvement on port development and maintenance dredging activities. He recently stepped down from his role as Managing Director of Westminster Dredging UK, a position he held from 1994. Phil has served as Chairman of all three major dredging trade organizations, including the UK Federation of Dredging Companies and the International Association of Dredging Companies in addition to having been a visiting lecturer at several universities and at Hydraulics Research Ltd, Wallingford. Phil is also the co-author of the Institution of Civil Engineers' Design and Practice Guide for Dredging.
